

**REMARKS**

In the Office Action dated June 29, 2005, claims 1-15 were rejected under 35 U.S.C. §112, second paragraph, as allegedly being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicant regards as the invention. In response, Applicant has amended claims 1 and 10 to overcome the rejection under 35 U.S.C. §112, second paragraph. Specifically, the phrase "*differ in resolution with said color features of said input digital image*" in claims 1 and 10 has been changed to "*differ in resolution from said color features of said input digital image*" (emphasis added).

Applicant respectfully requests a notice of allowance in view of the amendments and remarks made herein.

Respectfully submitted,  
Clayton Brian Atkins
